20 Ways to Use Edmodo

[Save this page to your Edmodo Library](#)

** Watch the [20 Ways to Use Edmodo webinar](#) for more details. **

1. Assessments

Utilize the Edmodo quiz builder or poll feature to assess students' learning during or after a unit of study.

2. Role Playing

Help students understand key historical and literacy events by reenacting them through role playing activities in Edmodo.

3. Peer Reviews & Critiques

Place students in small groups and have them post their work to their group for peer review and feedback.

4. Writing Projects

Enable students to tap into individualism and build self-esteem by sharing their writing projects with each other in Edmodo.

5. Build Digital Citizenship Skills

Enforce online etiquette guidelines for students when using Edmodo to help them build digital citizenship skills.

6. Foreign Language Practice

Encourage students to practice their language skills, as well as spelling and grammar, through conversations in Edmodo.

7. Book Clubs

Organize a book group in Edmodo to encourage students to read and discuss novels with each other.

8. Professional Development Workshops

Set up an Edmodo group for your next PD workshop to enable teachers within your school to discuss ideas and share content before, during and after the workshop.

9. Cultural Exchange Projects

Give students the opportunity to learn about other world cultures by connecting your classroom with classrooms around the globe via an Edmodo group.

10. Sub-Hub

Use Edmodo to communicate with your students when you're out of the classroom, or provide updates to students who are absent from class.

11. Backchannel Discussions

Inspire real-time discussions and extend learning beyond the classroom walls by hosting a backchannel in Edmodo.

12. Science Probes

Promote discussions and bring more interaction to your science class by engaging your students with science probes in Edmodo.

13. Mobile Learning

Integrate the Edmodo mobile app into classroom curriculum to make learning interactive anytime, anywhere.

14. Planning Committees

If you're planning a school play, the annual fundraiser or next year's curriculum, create an Edmodo group to help committee members collaborate.

15. Current Events

Help students stay up to date on the latest news by creating a small group called "current events" and leveraging the RSS feature to feed top news sources into the group.

16. Project Based Learning

Facilitate project based learning in your classroom by leveraging Edmodo's small-group feature.

17. Differentiated Instruction

Deliver differentiated content in your classroom through the use of small groups and shared folders.

18. Professional Learning

Join an Edmodo Community to connect with other educators around the globe and share resources, exchange ideas or get advice.

19. School Clubs

If you're part of a school club or sports team, create an Edmodo group to coordinate meets, practices and games, as well as post results.

20. Alumni Groups

After the school year ends, keep in touch with students and help them stay connected with each other by creating an Edmodo Alumni group.
